Re: United States v. Jacob Carter
Docket # 21 mj 9734

Davison
Dear Judge McCarthy;

I write to respectfully request a modification of the travel restrictions the Court imposed on Mr. Carter during yesterday's presentment. My client called after the appearance, to advise that he had forgotten to request permission for the travel detailed below.

Mr. Carter resides in Capitol Heights, Maryland, which is literally down the street from Washington, D.C. He and his fiancée often travel into Virginia to shop for groceries and other items. The Court is no doubt aware of the geography of the capital district, and the fact that local residents freely travel through and around the District of Columbia for everyday errands.

I therefore respectfully request that his travel restrictions be expanded to include travel within the District of Columbia and the Eastern District of Virginia. I have conferred with AUSA Jeffrey Coffman, and the government has no objection to this application.

Thank you for your courtesy and consideration.

Respectfully yours,

John S. Wallenstein
